## CERTIFICATE FOR WORK COMPLETION

This to inform you that M/s Canscorp Engineers Pvt. Ltd. have installed/tested the Fire Fighting System and Fire Alarm at our location in accordance with the approved plans and nationally recognized standards. I have tested the system in accordance with the manufacturer's specifications and local ordinances.

As per our observation, we have found the system is working satisfactory. All the equipment installed are in working condition.

Demonstration was carried on successfully in presence of respected authorized personnel of Perfect Marine Solutions.

For Perfect Marine Solutions.
